ADJOURNMENT MOTION

_Re_ Strike in the Kolar Gold Mines.

Mr. SPEAKER.—Sri S. Gopala Gowda has sent an adjournment motion which reads as follows :—

> "That this House do now stand adjourned to discuss a definite matter of urgent public importance and of recent occurrence to wit, the situation arising out of the strike of the workers of the Gold Mines at Kolar Gold Field reported to have commenced from 16th April 1955."

It needs no discussion or even a statement to be made, because, as the Hon'ble Members are aware, there are several rulings of our own legislature to the effect that strikes and lock-outs cannot be proper subject of adjournment motion. These rulings are based on similar rulings given in other legislatures and are so well-known that it is not necessary to refer to them at length. On this occasion, I hold that this adjournment motion is not in order.

Sri G. PUTTASWAMY (Chikmagalur-Mudigere—Scheduled Castes).—What about my short notice question which I had tabled about five days back, Sir ?

Mr. SPEAKER.—It is being considered and sent to the Minister for his consent.

Now the next item that is the Mysore Appropriation (No. 3) Bill, 1955.
